

LEGAL AID OF MARIN PRESENTS:

7TH ANNUAL
JAM FOR JUSTICE

THURSDAY, JUNE 18, 2020
5:00PM - 6:30PM

A VIRTUAL EVENT

Thank you for standing with Marin's most vulnerable communities **last night!** Thanks to supporters like you, we raised **\$130,200** and exceeded our goal – not bad for our first-ever virtual event!

If we have learned anything in the last four months, it's that anything is possible with some grit, determination, and the support of people who care.

The road to justice is long but we are ready and resilient to lead the way. As our Board President Jon Gertler said, we are in a moment for real, positive change for those historically marginalized and it's up to each of us to make that happen.

Special thanks to Dr. Tom Peters, Senator Mike McGuire, Assemblymember Marc Levine, and Congressman Jared Huffman for your support.

In justice,

Legal Aid of Marin
